

Ross

Graduation is a time of celebration, (and we will celebrate!) honoring a job well done, and looking to a bright future.

Deep within a parent's heart beats a need to make the world good. There is hope that "you" will grow to be strong and healthy with good values and ideas.

You bring life to everything. You have a smile that won't go away and an energy that is unrivaled. We see you making your mark on the world.

We are really pleased with what you have done and will continue to accomplish. Our prayers are that you will make wise decisions in all you do.

Above all else always remember that We
Love you!
Congratulations!
Momma and Daddy
