

“A dream! Something far in the future!” That was what John C. Calhoun Academy amounted to in 1966. It was then that the first classes were held at the First Christian Church with grades 1-8. The “dream” was enlarged by the purchasing of a tract of land in 1967 to be used for the school facilities and also residential sites. In 1967, determination was the key word as the architect was hired to make the dream become, in time, a reality. In the fall of '67, our “something to look forward to” proved to be “something worth waiting for” with its 11 acres of campus and classroom areas. The fall of 1968 saw the completion of the high school classrooms. This product of John C. represents the school’s pride.
