

The phenomenal success of the Warhawk Band is not a happy accident. It has come about because of dedication and long hours of practice. MR. POLK, DIRECTOR, began with a small nucleus of enthusiastic students in the fall of 1974. Since that time the band has grown in size and quality. Now the band numbers about 55 students. They rehearse every afternoon and several days a week during the summer vacation.

The band performs at all home football games, at pep rallies, and at other Academy functions. They also perform at the invitation of other academies and at the request of local officials. Their uniforms, bought with the help of the Band Booster Club and the PTO, are an attractive asset to their performances.
