

# Bonfire!

The Homecoming Game on October 22 was the climax of the 1976 season. J. C. C. A. students began their celebration early with a Thursday night BONFIRE!

On Friday the last hour of school was devoted to the traditional PEP RALLY! As usual, various faculty members "volunteered" for starring roles in the skit that always highlights these festivities. Cheerleaders did their thing; the appearance of the "coaches" leading the team through a warm-up session met with a roar of approval. And the Warhawk band added to the frenzy of the packed gymnasium.
