

POWDER PUFF — 1976

An experienced Senior Class squad with a one-game winning streak under their belts, overpowered their Junior class sisters in their endeavor to remain undefeated. Try as they might, the Juniors simply could not contain the well-coached team of senior players.

Quarterback Kassie Haynes called the winning plays, brilliantly directed by Coaches Blocker, Upchurch and Wimberley. Junior Quarterback Tripp, and Coaches Ackerman, Lemacks, and Thomas led the Junior class effort. The "Cheerleaders" were GREAT!
