

# DEDICATION

Dear Mrs. Guess and Mrs. Marvin,

Now that we are seniors, we more and more often have been finding ourselves saying, "Do you remember . . ." or "Back then we used to . . ." Not surprisingly, most of what we recall happened when we sat in those rooms in what is now the elementary school building - your classes.

John Steinbeck said "School is not easy and it is not for the most part very much fun, but then, if you are very, very lucky, you may find a teacher." Well, we found two. You two, Mrs. Guess and Mrs. Marvin, have probably influenced us more throughout our school years than anyone else, and because of this, and because we are grateful to you, and because we love you, we dedicate this, the 1977 TALON, to you both.

The Class of 1977
