

# Varsity Football

The varsity's record this year did not come close to showing the real story. They did not win any games, but during the entire season they never gave up. They played every game with the same determination in the second half as they had in the first. Many of the games were close but we just didn't get the right breaks.

1. Good play!
2. What a pile-up.
3. Drive through there!
