

1. Becky drives to the basket.
2. Trying to get through defense.
3. Rhonda makes a move for 2 points.
4. Trying to get off a good pass.

Things look better for the Varsity Girls than they have in many years. With all the starters of last year, plus some new players from J.V. the girls have a great chance to go to State. So far they have only 2 losses on their records. One of these came in the Savannah Holiday Classic where they finished with a third place trophy.

Going into tournament action the girls' record was 18-5. The Talon staff regrets that no tournament records could be given due to an early deadline date, but we hope that the girls come out on top! We are sure they will!
