

The J.V. Girls, coached by Mary B. Welch, have been trying very hard to have a successful season. The girls have played a good number of games, but so far have only captured one victory. We hope the girls will achieve their goal of success by the end of the season.

1. Beth passes over the defensive player.
2. Tandy draws the foul as she goes up for two!
3. Jan goes for two with the entire team guarding her!
4. The team looks on as Tandy brings it down court.
