The baseball team, coached by John Welch, finished their season with a fantastic record of 10-5. They managed to become second in their conference with Thomas Heyward taking first. They would have certainly been a cinch for a tournament winner, had they participated in one. Two of the players who graduated last year are now playing college baseball. They are Richard Davis, who is playing for The Citadel, and Tony Langdale who now plays for Erskine.

1. Tony strikes another batter out.
2. Tony watches what happens.
3. Tony and Jay wait for the warm-up.
4. Richard slams it to the outfield.
