

# Science — A Dirty Word?

**T**hanks to Mr. Scott Hartshorn, the Science Club's third year was a successful one. The club had various fund-raising projects such as bake sales and cake raffles. A portion of their money was given in the form of a scholarship to a senior pursuing a career in science. The remainder of the money was used for a trip at the end of the year. Officers elected were Scott Rizer, Pres.; Benjy Black, Vice-Pres.; and Rob Young, Sec./Treas.
