

# Fighting For The Future

Ending with a 5-2 record, the Junior Varsity team, head coached by Robert Axson, had a most outstanding year. With the help of freshman Brown McLeod's running ability, the Hawks were able to score several needed touchdowns. Also adding to the scoring were Rob Young and Robert McNair. As usual, a few players were moved up to the Varsity team when the season ended. Those who were kept down will continue to fight for the future.

Brown McLeod (31), a first string Freshman, carries the ball across the twenty as sophomore Rob Young (21) comes to help.

As head coach for the first time, Robert Axson converses the next play with Heath Griffith (32).

During an offensive play, freshman Ward Ulmer (20) and Jimmy Hiott (4) try to fight off the Porter Quad defense.
