

Most Athletic

Because of Monique Fennell's and Mark Eley's involvement in sports, they were chosen most athletic. Both hated the idea of leaving sports after graduation. As a result, both have hopes of continuing with sports in college.

Most School-Spirited

The spirited seniors were Lesley Foster and Trent Copeland. Both were involved in sports and other outside activities. Wherever spirit was lagging, they were there to fire it up!

Most Conscientious

Becky Sams and Dowl Knight were always willing to accept anything new. They committed themselves fully to any task given to them. You could always depend on Becky and Dowl!
