# Keep It Up

---

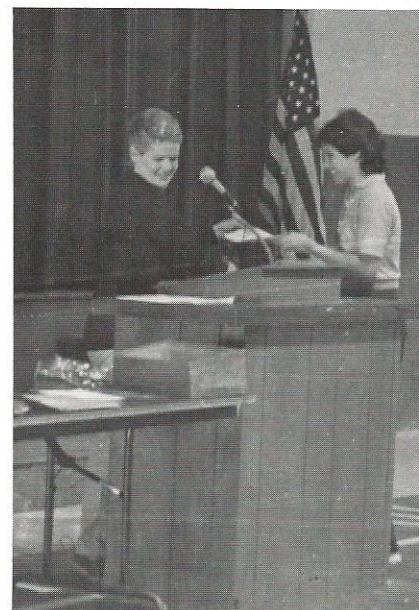

At the end of the 1983-84 school year, the faculty recognized those students who did an outstanding job academically. The teachers averaged the students' grades, and the ones having the highest averages received an award. Certificates were given in English III and IV, French I, II, and III, pre-calculus, Algebra II, geometry, pre-algebra, physics, biology, and chemistry.

Mrs. Blocker congratulates Cathy Sams for her outstanding work with the Broadcast Club.

Mr. Hartshorn prepares to announce the most outstanding physics student.

English teacher, Janice Blocker, gives English III awards to Jan Ulmer, Cathy Sams, Lara Craven and Marsha McGinnis.

Johnnie Neal goes up to receive her pen and certificate for French I from Mrs. Trammel.
