Miss Mole and the officers discuss plans for the trip to Charleston.

The French Club had a successful year with more than forty members. From their new sponsor, Miss Mole, the students learned many things about French culture. Throughout the year, they raised money which was used for parties and French supplies. During the spring, the members traveled to Charleston to see a French play which was enjoyed by all. The officers were Marc Warren, President, Lori Hiott, Vice President, and Penny Altman, Secretary/Treasurer.
