This group of 4th graders doesn't mind stopping on their way to lunch to pose for a picture.

4th Grade

Before their weekly enrichment class, Jamie Ackerman and Lance Dennis practice the French alphabet.

The 4th grade really knew how to mix school-work and pleasure. They enjoyed playing Science Baseball and roll drills. At the end of the week the team with the most points got a prize. They also did a great deal of art work, which was displayed in the library and in the main hall during November. However, when it came down to business, the fourth grade was expected to work!
