

"A cut above the rest" certainly described these talented students. Their exceptional achievements in both academics and extra curricular activities made them stand out among the students at John C. They were recognized by both the school and public of Walterboro for their excellent abilities. Whether they were in or out of school, they always did more than what was asked of them. Congratulations to these outstanding students.

## CUT ABOVE THE REST

One important program that started this year was the student exchange program. Students experienced and learned different systems of teachings from other schools. Cindy Smith visited Calhoun Academy. Allyson Haynes and Chad Brightwell spent a day at Lord Berkeley.

Cindy Smith, Allyson Haynes, and Chad Brightwell eagerly volunteered to visit the different schools.
