

HOMECOMING '86

It was the last but most important day of spirit week. Everyone; faculty, students, parents, and alumni, awaited the very special night of Homecoming '86.

At 7:00, an hour before the game, the stands were already filled with loyal fans ready to support their winning team to a victory against Country Day. The senior football players and their sponsors made their traditional walk across the football field as they were introduced to family, friends, and visitors.

The moment had come. The moment to find out who was to be the Homecoming Queen of 1986. Joy Bunton, Melody McGinnis, and Traci Warren, the candidates for the Senior Class, climbed nervously into the convertible for their long ride around the football field. Each candidate was escorted by her father to the center of the field. There, reigning queen Kristi Connelly crowned Melody McGinnis as the new queen.

After the Warhawks defeated Country Day, 19-41, the Junior Class sponsored a Homecoming dance to celebrate their victory. Music was provided by the juniors' own Matt Hiott and refreshments, prepared by the Juniors, were served to all who came. The night was finally over, but the memories lasted forever.

After escorting the football players on to the field, the sponsors awaited halftime of the game. Then they participated in the crowning of the new Homecoming Queen. Chosen by the senior football players, these sponsors played an important role in Homecoming '86.

Renee Dennis awaits the time to go out on the field and support our old and new Homecoming queens.

Miss Kristi Connelly returns to give up her crown. Kristi was escorted by Mr. Charles Griffith, a member of the Board.
