

Jamboree Gives Good Start

Jamboree Gives Confidence To All

Juniors, Kevin Litchfield and Josh Siegel, hold the opponents back so they won't gain any extra yardage.

The Varsity cheerleaders form a perfect pyramid during their routine for the competition at the Jamboree.

On August nineteenth JCC hosted a football Jamboree. Six teams and their cheerleaders came to participate. Each team played a twenty-five minute quarter. John C. played and defeated Patrick Henry 14-0. The first touchdown was made by a pass from Cam Werntz to Asher Howell. Wayne Crosby got the two point conversion. Crosby also ran the ball in for the second touchdown. Our defense held Patrick Henry scoreless.

There was also a cheerleading competition. The Varsity cheerleaders did a dance to "Brass Monkey". They won third place in the competition, while Thomas Heyward won second, and Patrick Henry won first place.

The Jamboree gave the Hawks a good start. It gave both the players and cheerleaders confidence to begin the season.
