

# FOUR TIMES UNLUCKY

*J.V.'s Play  
Hard And Gain  
Experience*

The Junior Varsity Football team had a good season. Their hard work at practice everyday had paid off when the team finished with an overall record of 2-4.

The J.V. Boys, who were coached by George Brittle and assisted by Jim Harmon, consisted of boys in grades six through ten. Having had many ninth and tenth graders, the team had a lot of experience. Their experience had been evident by the way they performed on the field.

The disappointing loss of the season was to Holly Hill.

The team was really looking for a win because Coach Brittle had come to John C. from Holly Hill. The Hawks had played with enthusiasm throughout the game, but Holly Hill prevailed 14-13.

Over the course of the season, the Junior Varsity boys had proved that they knew how to play competitive football. Many of the older players will take what they have learned up to the Varsity level next year, and the younger players will have the chance to gain the experience that they will need for Varsity.
