

The Junior Varsity Cheerleaders line up with a "ROCK THE RAIDERS" spirit poster that they had painted one afternoon after school for the Junior Varsity Football Team to run through before the game.

Learning to be successful cheerleaders is a lot of hard work. The Junior Varsity Cheerleaders spent many long hours after school practicing to perfect their cheers and shoulder stands. Their sponsor, Mrs. Sandy Tyler, was always there to help them.

The Junior Varsity Cheerleaders were not just a cheering squad. They were also friends. They could always be found smiling and laughing with one another.

Cheering is a chance to have fun and support the Hawks at the same time.
— Lee McConnell

At camp we learned new cheers and how to work well as a squad. — Laurie Steele
