

*Tough Breaks And  
Bad Luck  
Can Hurt*

# BREAK EVEN AND LEARN

The Lady Hawks' softball team, coached by Jim Harmon, broke even with a 5-5 record. They had a lot of talent and experience. Many of the games were within reach, but some tough breaks proved to be costly.

The season started out slow, but the Hawks began a winning streak with a 12-3 win over Dorchester. The highlight of the season was their defeat of arch rival Orangeburg Prep. The Hawks lost 12-2 in Orange-

burg, but at home they defeated them 17-12. As Allison Nettles said, "When it was time to play, everyone was psyched and we were ready to win."

Unfortunately, a lot of enthusiasm wasn't there when the Hawks played First Baptist in the state tournament. They suffered a few bad breaks in the sixth inning and ended up losing 9-5. The season didn't end on a very high note, but the Hawks learned a lot and had fun.

*Only a sophomore, power hitter, Susan Zeigler, rounds the bases and heads toward home plate to give the Hawks another point. Susan lead the Hawks offensively throughout the season with many homeruns in crucial situations.*

*First baseman, Wendy Ulmer, a senior makes her long legs work to the team's advantage as she catches the ball just a fraction on a second before the opponent crosses the base.*
