Onward And Upward

These fourth graders dress up for Spirit Week.

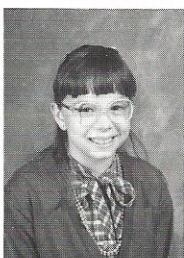

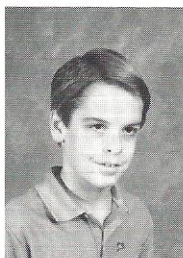

The fourth grade was a time of growing and learning the importance of school. This year the fourth grade won the "Young Readers Door Decorating" contest. They also took part in the "World Book Reading Contest". They raised a lot of money during this contest. They also took part in the "Book It" contest that was sponsored by Pizza Hut. Although the fourth grade was too young to play school sports, many were involved in sports outside of school.

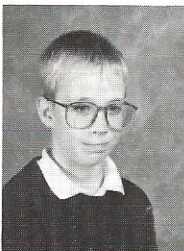

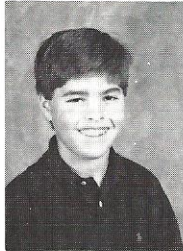

The fourth graders and Mrs. Warren "ham it up."
