It was fun--

Editing your annual, "Lodge Memories," was fun. It was work we loved doing, despite all the things that happened to confuse us and the confused state we were in already. Sorry we couldn't make it sooner, but we tried.

And thanks to The Year Book House Publishing Co. and to Mrs. W.R. Corder, our sponsor, and to all the others who helped us put this book to bed.

--Frances & Franklin--
