

A large, stylized graphic of the year '2014' is centered on a magenta circular background. The numbers are composed of multiple concentric, rounded lines in a gradient of colors: green and yellow for the '2', orange and red for the '0', and blue and purple for the '1' and '4'. The magenta circle has a white border and is set against a vibrant background of yellow and green with various circular patterns and textures. Three white circular punch holes are visible along the right edge of the magenta circle.
