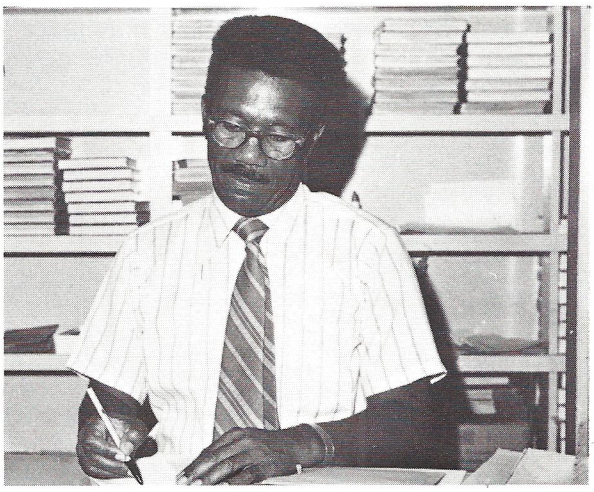
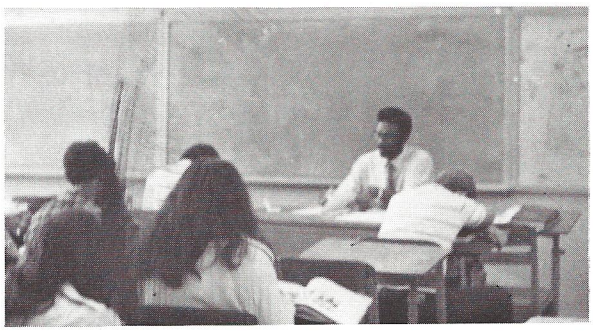
DEDICATION

Mr. Branch





Mr. Branch was the first subscriber to Heritage '75 when the books were put on sale last May. He has served on the faculty at R. H. S. for twenty-two years. His soft voice controls civics, history, and English classes. His regard and consideration for students make him a favorite of the student body.

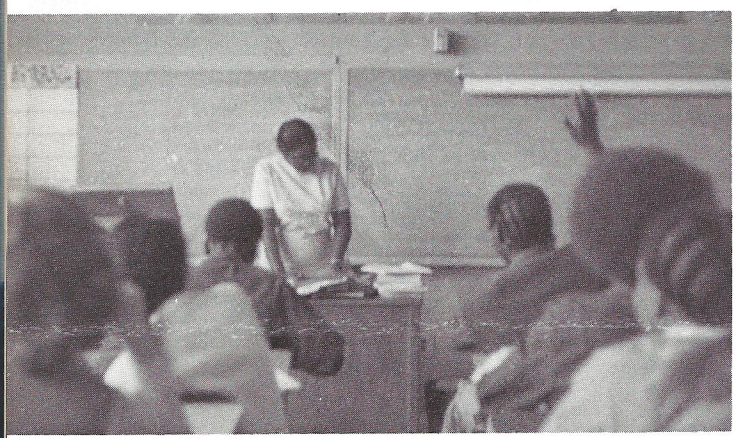
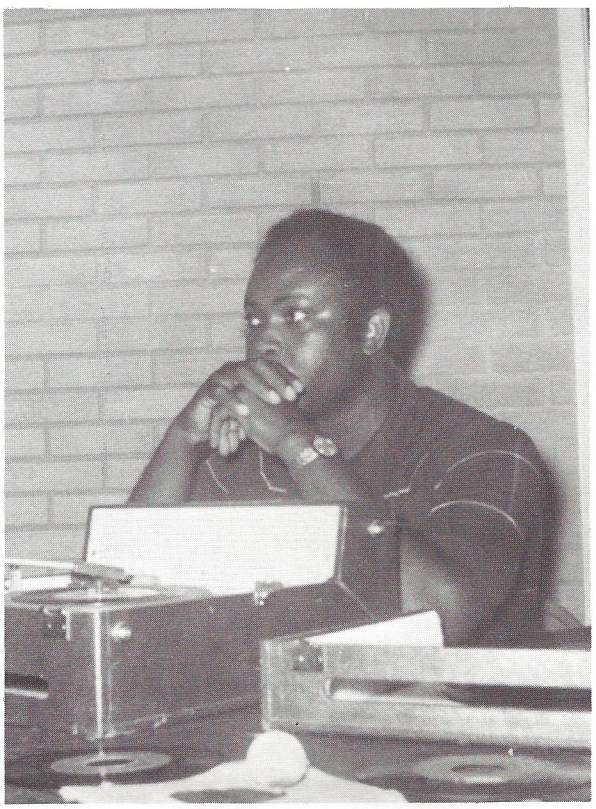
PERMISSION IMPOSSIBLE



Can I get a drink of water?

Students match their wits against teachers to find old or new, novel or trite, reasons for leaving class. Sometimes the student wins and escapes to the hall, but usually, permission is impossible to obtain.



May I take a pill?

Can I eat lunch early today?

Let us eat what fifth period cooked.

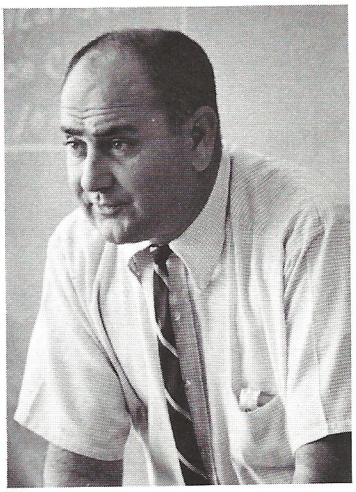
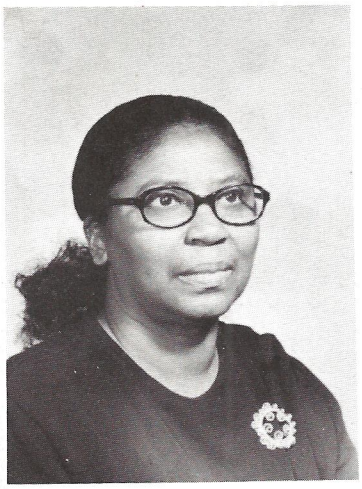
Spires - B. S. , St. Ambrose College
M. A. T. , The Citadel
Snakes, open heart survey, and experiments interest this science and biology teacher. His students write term papers, dissect frogs, and wonder why pins can float on water.



Mr. Spires



Mrs. O. Stephens

O. Stephens - B. S. , Claflin College
M. A. , South Carolina
Mrs. Stephens chairs the English department. The senior class studies MACBETH and CANTERBURY TALES under her direction. Also, she oversees the Queen of Hearts contest, a senior class play, and graduation.

S. Stephens - B. S. Benedict College
M. S. South Carolina State

Senior Superlatives

The Senior Superlatives were chosen by the annual staff this year. This was the first time honors such as these were bestowed to Seniors. After diligently looking through records and consulting other students the HERITAGE staff finally decided upon the following eighteen seniors. These students were chosen on the basis of scholarship, leadership and character.

Best All Around

MARLENE MALONEY

and

LARRY JAMISON

Men took everything that Jesus had, His liberty, His legal rights, His physical beauty, His reputation, His life--but they could not take away what He was . . . So the real values of life are internal, not external, and what counts with God --and sooner or later with men --is, not what a man has, but what he is.

-Maltbie D. Babcock

Most Athletic

SONYA STEPHENS

and

RICHARD CAMPBELL

The will to win is worthless without the will to prepare to win.

Most Intelligent

TINA PROVEAUX

and

LARRY VARNER

The days that make us happy, make us wise. (Larry's picture not available)

Most Likely to Succeed

BRENDA HUDSON and WOODROW HODGES

You will succeed best when you put the restless, anxious side of affairs out of mind, and allow the restful side to live in your thoughts.

-Margaret Stowe

Wittiest

GLORIA DOPSON and ARTHUR MAYES

The grand essentials to happiness in this life are something to do, something to love, and something to hope for.

-Joseph Addison

Most Dependable

IDELLA CROSBY and RUDOLPH STEPHENS

Do not let the good things of life rob you of the best things.

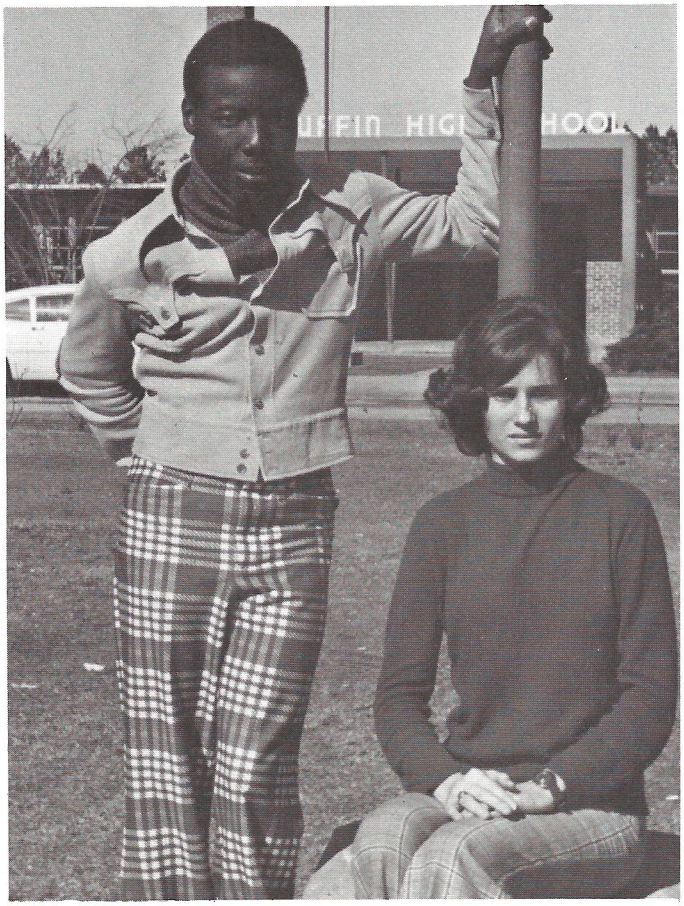
-Maltbie D. Babcock

Best Personality

BETTY RILEY and FRANK JUMPER

To be popular yourself you must first learn to like other people. There is just no other way.

-Ettinger



Most Talented

Pre-game pep rallys were a Friday high-light. One pep rally featured Melvin Benton as a chicken opponent.

Heritage '75

Working on the annual has been one of the most rewarding experiences we have ever had. It took a lot of hard work but it was worth it all. Learning to work with others has helped us to better understand the students at Ruffin. We had lots of fun trying to solve the problems that arose. Now don't get us wrong. It wasn't a bed of roses all the time. There were a few errors, a little crying, and a little yelling, but we made it through. As business manager and editor we want to thank Mrs. Spires and Mrs. George who somehow managed to stay calm while two dozen screaming voices danced around. Also our thanks goes to the entire annual staff, the student body, and the faculty. We also give our prayers to the 1976 annual staff and hope their problems are smaller than ours.

Two workshops at Newberry College helped Darlene, Tina, Phylis, Debra, Angela and Alan lead the staff through the yearbook production. Hot, weary students sold ads in June. Wednesday evenings throughout the summer were devoted to planning the yearbook. The fall of '74 was hectic with book sales, photography and copy writing. Deadlines, Deadlines, DEADLINES plagued an inexperienced staff. But they completed their task, and HERITAGE 1975 is no longer a dream ----- it's a reality.

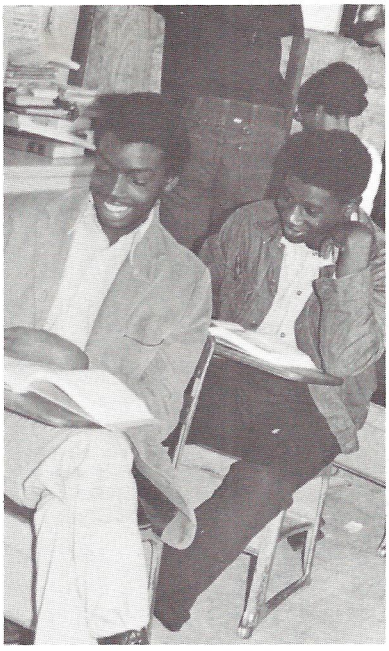
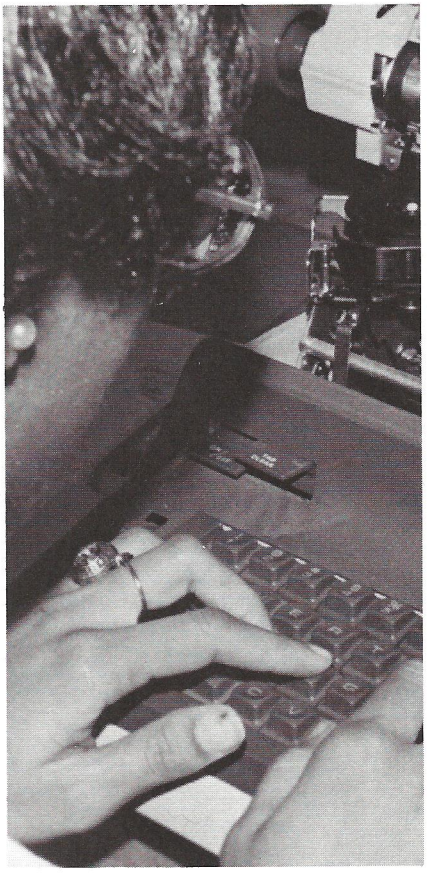
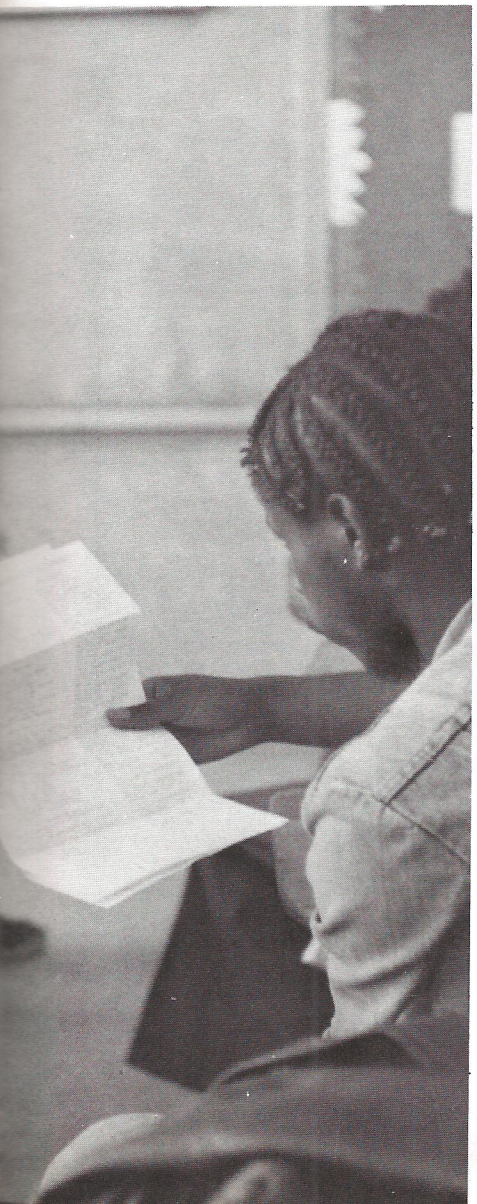
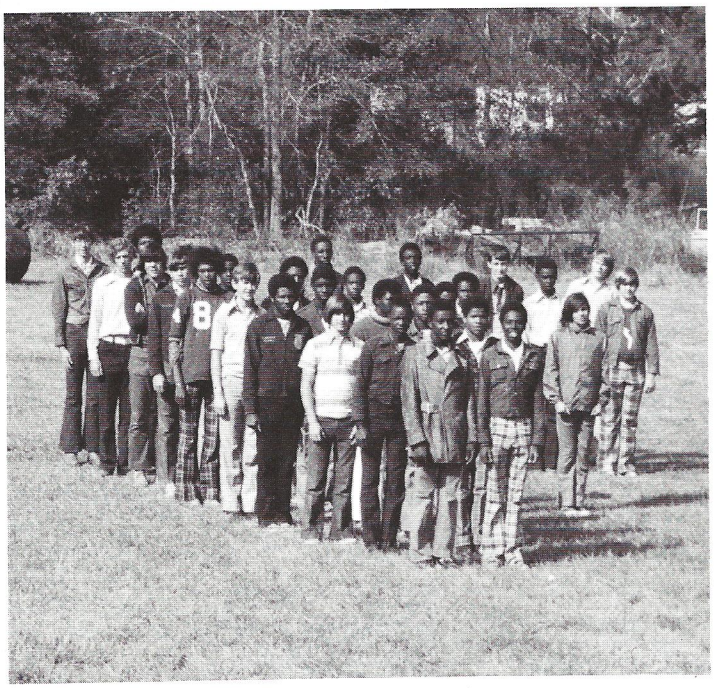
The Patriot

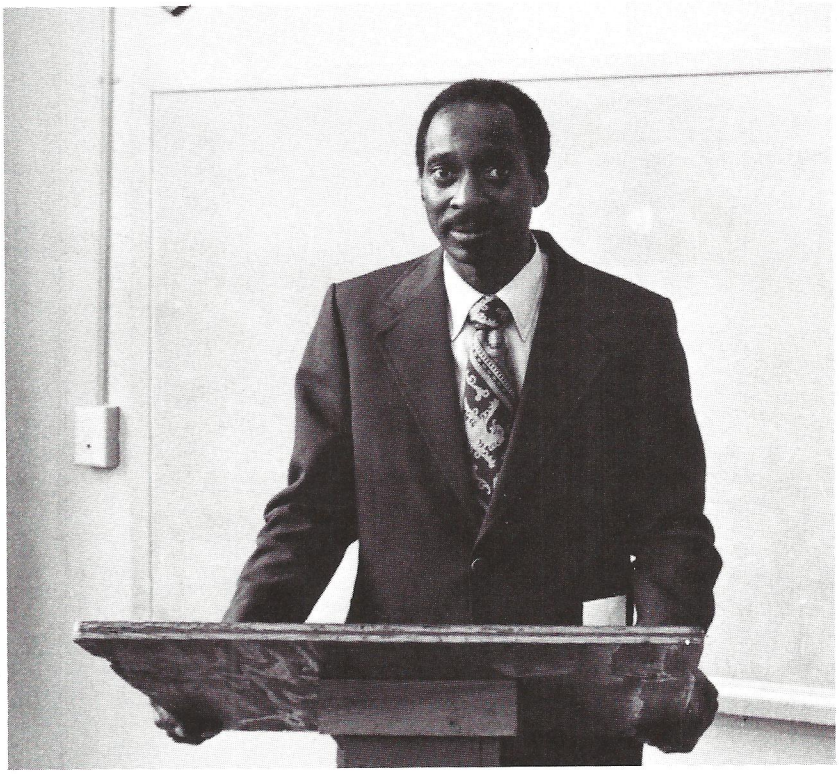




For a nickel you can keep up with the latest on every thing at Ruffin. The news goes from what happened at the games, to who had a birthday, and a little gossip every now and then. "The Patriot" is published every Friday during fourth period. Dedicated to good standards of journalism, the official news organ for Ruffin High strives for accurate presentation of the news with these purposes in mind: to inform, to educate, to stimulate and to be the "Voice of the Students."







Future Farmers of America

Adviser: Mr. W.P. Lloyd

The F F A is the largest organization at Ruffin High this year. Activities of this club are the soil-judging and livestock-judging contest. There is also a parliamentary procedure team. These boys train for competition against other schools.

Ruffin High School Choir participated in services at various churches. The choir held their annual Christmas concert December 10; later on they performed at Bells. The Extravaganza Classique, a program featuring different schools, was held in April.

El Club de Espanôl

el club de espanôl is a new organization at Ruffin. With Mrs. Young at the helm, the members of the club try to learn more about the life, culture and history of Spain and Latin America. The highlight of the year was the Christmas Party where Spanish customs and food, along with a piñita, created the mood.

The library club is trying to get more students interested in coming to the library, not for book report purposes but for their own pleasure. The club has formed a policy board which will be the governing body of the library. But the main aim of the club is to get more students involved in the library.
