Sponsors: Miss Meyer  
Mr. Monachesi

The Clef and Quaver Club is the lettermen's club of the music groups. To be eligible, one must possess a letter in one of the seven music groups of Southwest. Requirements for a letter include participation in a group for four semesters, and taking part in its activities.

The Club, in its 6th year, now boasts over 80 members and is growing larger every year. Annually, the Clef and Quaver members join in with the music groups for parties, and fellowship.
