## Girls' Glee

Director:  
Miss Meyer

This year's club was no exception to the standards of excellence established in the past. A good adjective describing the seventy-five girls of the club is one of Miss Meyer's, "fabulous." Through long hours of practice, skillful direction, and sincere enthusiasm, these girls produce musical entertainment which sounds professional.

This year, they entertained the freshmen, participated in the Christmas Aud, the May Musical, and the operetta. In addition to the various programs, they also joined in the fun at the gala music party at St. Marks Church.
