

Cheerleaders Club

Sponsor: Miss Burgett

In the spring of the year the Pep Club does a quick about face and becomes the Cheerleaders Club. Actually, the two groups are practically the same, led by the same wonderful sponsor, Miss Burgett, who is assisted by the same cheerleaders. It's really not as confusing as it appears.

Near the end of the term the Cheerleaders Club chooses the girls who are to compete for the job of cheerleaders. A vote of the student body determines the ten jubilant winners.

We of the ROUNDUP staff hope the entire student body realizes, as we do, the part the Pep and Cheerleaders clubs play in cheering our team to victory. To them we extend a big Hurrah!
