SW's Rifle Club, under Coach Leftwich, now boasts a membership of 38, the largest ever, and the City Rifle Championship. This award, a plaque, will be kept permanently if SW wins the title again next year. Winning the City Championship gave them the right to compete for the District Championship with St. Louis U. High on March 18. This time SW lost by a score of 729 to 698. The six team members will each receive a gold pin.

"An unusual interest in marksmanship may bring us a repeat win next year," predicts Coach Leftwich.

Newly elected officers for this year are: John Leonard, president; Dave Wise, secretary-treasurer; with Bill Mason, David Glaves, Rich Lohse, John Leonard, Dave Wise and Brooks Martin elected to the top team.
