

Pan American Club

Sponsor: Miss MacNamara

Would you like to visit romantic Spain? The members of the Pan-American Club are transported there via colorful films and informative lectures. The life and customs of the Spanish speaking countries, each of which is permeated with the flavor of Spain, the mother country, are studied. Occasional guest speakers enable the club to obtain inside glimpses of life in these countries. Highlights of the year were an early fall picnic held at the country home of Mrs. Whitehouse, a former Southwest Spanish teacher and a Christmas party given by all the language clubs. Sponsored by Miss McNamara, the club meets on alternate Thursdays in room 211. Membership is open to anyone interested in Spanish, and all are assured of a warm welcome. Todos son bienvenidos.
