Miss Carter

Celebrating its "First Anniversary" is the Future Nurses of America Club. The girls, sponsored by Miss Carter, have been very busy fulfilling the purpose of the club: to help future nurses of America understand and become acquainted with the life of a R.N. They have visited many hospitals around St. Louis, a few of which are Deaconess, Jewish, Barnes, and Children's. In addition to these activities the club has been addressed by visiting members of their chosen profession.

The F.T.A. Club, as it is called for short, strives to encourage young people to enter the teaching field and to acquaint them with this profession.

The members meet every Monday at 3:15 at which time Mr. Pinkus leads them in planning their weekly activities. They are busy taking field trips to places of interest, or inviting individuals to come to their meetings and tell them of the "life of a teacher." Miss Ajango, a teacher here at Southwest, was one of the lecturers. In addition, a returned professor from Washington University pointed out some of the advantages of teaching.

Future Teachers of America
