

Projectionists Club

Sponsor: Mr. Schlinkmann

Movies are "the thing" in today's education. This entertaining method of education at Southwest, is brought about by the projectionists club under the direction of Mr. Schlinkmann. Membership in the club is open to boys of any term, who have extra study halls and who are interested in doing this type of work for the school.

These capable members are also able to show slides, filmstrips, and are adept in the use of our opaque projector. Because of them, the faculty and students benefit from audio-visual education.

Row One: J. Yaeger, J. Legamaro, A. Holtman, E. Schade.
