The Audio Aids Club fills the important function of supplying the sound for all auditorium programs. These boys are in charge of microphones, speakers, sound console, etc. Without them, our splendid aud sessions would resemble silent movies. We're all grateful for the fine work done by Mr. Chase's dedicated group.

This year marks the Photography club's seventh anniversary, and through the efforts of the members, they have managed to equip their darkroom at SW. The activities of this group have covered a wide range. They have taken pictures for the ROUNDUP, the PIONEER, the Operetta and Hello Day auds.

Yes, the SW stage would be dull indeed without the flashes of the club members to brighten the dreariest day.
