This year Southwest has enhanced its always high scholastic record with a new and signal honor. In competition with fifteen other high schools from this area, our TV Quiz team advanced successfully through all four eliminations and emerged victorious. The sixteen teams in the original field were selected on a basis of high standards of scholarship, making our victory even more significant.

The quiz was jointly sponsored by KTVI, Channel 2, and St. Louis University. Matches were telecast on Saturdays at noon. The questions covered the fields of English, history and mathematics, geography and science, and were difficult by any standards.

We are very, very, proud of the recognition earned by these Southwest scholars.
