Varsity Cheerleaders

"Go Webster!" was the cry of this year's peppy Varsity cheerleading squad. Led by captain Carol Keiser, the squad showed its spirit and ability throughout the season.

With new white pleated skirts, the girls represented a new burst of energy as well as a change from the black slacks previously worn. Several cheers were changed by new motions and clever formations. New cheers and chants included Eight Clap Fight, We've Got the Action, Hold That Line, and Webster Fight.

When the squad jumped into a busy football and basketball season the girls found a tremendous channel of spirit to work with, not only from the Varsity Pep Club, but from the newly formed Varsity Club.

Webster will remember the '59-'60 Varsity Cheerleaders for their energetic and effective work in promoting school spirit.
