Vespers

A Cappella Choir, Beginning Choir, Boys' Choir, and the Angel Chorus once again presented the unique Christmas pageant, Vespers. Under the direction of Miss Esther Replogle with the assistance of Miss Nancy Wieman, the choirs inspired every congregation with their traditional carols.

The service, consisting of the shepherd and nativity scenes, was beautifully portrayed by the forty students representing the Biblical characters. The stage, props, and make-up crews also deserve credit for their capable assistance in producing Vespers.

This year, four performances were held: two on Sunday, December nineteenth, for the general public, and two on Tuesday, December twenty-third, for Webster High School students.

All those in the community, whether they attended or participated in Vespers, will remember this majestic pageant portraying the birth of Christ as a special religious service, and one in which deep meaning can be found for all those with the true Christmas spirit.
