

## Statesman Show Band

Drum Major ..... Charles Brock  
Leader ..... Mr. Lemcke

For the first time in history Webster's Marching Band got out and practiced before school began this fall. This taste for hard work spilled over into new Saturday practices. The demanding ideas behind these moves were changes in the whole conception of field performances; the band has switched in emphasis from formations to precision drills. As a result the Statesmen did more marching between positions and even executed one dance step.

Rained and "mudded" out at Normandy, the band premiered at the Ferguson game, where they became the first County band to strut for television. Other exhibitions of their skill and vitality came at the Columbia, University City, and Kirkwood contests.

The traditional chocolate sales were spiritedly conducted this year with **The Webster Echo** staff. Also, the Statesmen luckily secured the top-rate band in which Mr. Lathen plays for their "Autumn Nocturne" dance.

Mr. Lathen, Hause, Tieman, Drake, Dittmer, Dotson.
