

# Hockey

Hockey enthusiasts started out the '59-60 season early in the fall under two main divisions: coaching and intramurals.

Seventy-five girls turned out for intramurals which began in October. Each team played five games.

Coaching, held alternately at Webster field and Blackburn Park twice a week, enabled the girls to "brush up" on old and new hockey techniques while trying out for class teams. Class teams were picked for the Sophomore, Junior, and Senior grades from the fifty-seven girls who went out for coaching.

The sophomore class team lost to University City, beat Ritenour, tied Maplewood, and was rained out for the Clayton game. Junior class team standings were: a loss to University City, ties with Clayton, Ritenour, and Maplewood; rain ended the Webster-Kirkwood game. In the senior class team games, Webster tied Maplewood, and lost to Kirkwood, Ritenour, University City, and Clayton.

Outstanding girls on the three class squads were chosen to be on the Varsity hockey team. The outcome of its four games was a loss to Ritenour and Clayton, a tie with Bayless, while "showers" ended the University City game.

In spite of the weather opposition this season, the girls of all the hockey teams displayed a good record in a sport which requires co-ordination, quick thinking, exact timing, and physical endurance.

# Softball

"Three strikes!"—"You're out!" shouted ambitious Webster baseball players last spring.

Games were set up among the intramural teams as well as the class teams. In the intramurals competition, the winning team was headed by Ginger Welsch. Mrs. Woods chose three class teams composed, respectively, of the sophomore, junior, and senior grades from those who participated in baseball coaching. To be in coaching, a girl had to pass a required skill test.

The sophomores lost to Kirkwood, and beat Clayton and Ritenour. The Webster junior class

team defeated Clayton while a tie ended the Ritenour game, and the Kirkwood game resulted in a loss for Webster. Undefeated, the senior class team downed Kirkwood, Clayton, and Ritenour.

The Varsity team, consisting of girls who showed exceptional skill on the class teams, began its games soon after class team results came in. Although Webster lost to Ritenour and Kirkwood, the team triumphed over Clayton.

Thus another season of softball ended, leaving the '59 year with a good record for those girls who played on softball teams.
