Academic Excellence At WHA

Dogan,
Well I thought I'd
sign by my favorite page
haha, that's a joke.
Well what can I say?
you're a super great guy
and I'm really glad I
was part in your study
hall. I only wish we
could have become closer
and hopefully we will
next year. Dogan, you've
got everything going for
you, brains, looks, and
especially personality,
each of which will lead
you to the very top.
Good luck in everything
you do and God bless
you always!

Love
Kolin
