

Logan,
 It's still hard
 for me to believe
 that you graduated.
 Not that your dumb,
 I just can't believe
 your leaving. I
 really enjoyed
 going to see
 "Rocky Honor" and
 "The Blues Brothers"
 with you. I hope
 you'll go to
 the lake with us
 some this summer
 before you go
 off to school. May
 be Eric will swap
 you for more
 Atari tapes. I
 hope you like
 it next year at
 the Citadel. I can't
 wait to see you
 with a crew cut!
 You a really
 sweet guy and
