 I just wanted
 his last
 chance to
 tell you how
 I really feel
 about you
 I've always
 secretly
 admired you
 very much
 especially
 your body
 although you
 do have a
 good mind
 you're the
 only man
 that I go
 home on
 fantasy about
 doing things

Susan Logan,
 Sorry about
 that. I'm also
 that some creep
 wrote what they
 did. The person
 who did it is a
 real jerk.

We have had
 a lot of good times
 (and some bad
 times). I'll never
 forget all those
 times in Suber's
 class, and good
 old Matthews'
 class (remember
 talking that 1st
 semester exam).
 One thing I'll
 never forget, Tri-Q
 in 9th grade when
 you and Bill chased
 each other around the

to my body that I would only
 let you do. I wrote a whole book of ave-
 party just about this filled with my
 secret desires and passions that I want
 about you when I'm
 touch and
 making you my friend.

WALKER OIL COMPANY
