

Gibbons
of this year, too.
I think it kind
of comes and goes.
I'm really
going to miss
you next year and
I'll tell you some-
thing that I have-
not told anyone,
you are
my best friend.
I know you probably
think that's
stupid but I can
feel like I can
tell you whatever
I think or feel
and you'll
understand.
you never laugh
at any
of my ideas; even
if you think
they're funny you
don't show it.

For Your
GRADUATION

I cannot give you
 cloudless skies,

A life that's free
 from cares and sighs,

But I can wish you

a heart that sings

And the joy of discovering
 beautiful things...

you understand and
me better than
anyone else does
and at times I
think I
understand you
more than
I understand myself.
Remember the
play. How
could you forget,
you worked harder
than any of us.
I came to
the football games

this year
has really been

It has only been by 20 feet
to back it up. Well, have
