

Logan, can you believe that we have finally made it! Our senior year and nobody can stop us from graduating, not even Rockwell and Suber. I hope you had as much fun this year as I did. I'll always remember the parties at senor's house and the card games at Wilkins, even if you don't (Just kidding). Hopefully we'll be seeing each other this summer.

Front Row: Gregg Waters, Leah Dantzer, Brad Waters, Sandra Lorick; Clint Padgett, Randy Hammond, Logan Gibbons, Frank Egert.

Logan, Can you believe tho we finally are going to grad to (?) fr W.H.A.? I can't! It seems like the years have flown by. I have really enjoyed ~~the~~ being in your class. I am sure you appreciate all the help I gave you in Adv. Chem. Do mention it. We have really had some good times together. Remember all the "X's" we went to. Just always remember me. Let's always be friends. Talk can

Good luck at the Citadel, I hope you like it. Best wishes Frank

Judging by the picture, maybe you are! Or bad you weren't in Spanish III this year, 'cause we had a ball. Calculus, English II, and adv. Chemistry were almost more fun than I could stand! Don't forget the great times on the Senior "Strip" and the guts games. I wish you the best of luck at the Citadel - I know you'll succeed. I'll be going back up to Wofford and see if I can find that guy in the bathroom and see if he can teach me to be quiet.
