I'm sorry about the change in pens, but I am home now, and I can't find the one I was writing with at school! Anyway, I'm not going to give up my one and only shag partner! I think we do pretty good, don't you?! Okay, I'm going to get serious for a

little while longer. Logan, I don't feel we were as close this year as we have been in the past. No, I take that back! We were as close, but we just didn't see each other as much! OR SOMETHING!

All I know is **TYSON TIRE AND OIL** that you are a friend I know I can count on. We don't communicate for a little while, and I still come

running to you with my problems! I thank you for allowing me to do that! We are going to have to keep in touch next year! **GOOD YEAR** Write me please.

Well, if I keep writing, I might say too much -- but really I want you to know that I wish the best for you, and I hope everything you want comes to you! You deserve it! Thanks again! Have a fun summer! May God be with you always.
