Marion, I really like that name. It's neat! Well it's finally time for us (class of '81) to graduate. Ever though we didn't have any classes together except for homeroom (that counts) I'm glad that I got to know you better. Well see had some super times this year. D.C. was really fun. I really want to thank you for everything. I love it since you were here. I really enjoyed the play was a blast! I still can't believe we did. Well I wish you all the luck in the world at the Citadel! Have a great summer and stay sweet and cute.

P.S. Your girlfriend Denny (I think that's her name) you'll make a really cute couple Logan. I wanted to tell ya at the beach but I didn't.

*Love,
Pam*
