

never will, we were special to him  
 and he was special for us all.  
 All-England, State Basketball, and  
 I both know what it's like to be  
 someone's appreciated and to represent  
 the best in their field. We can't expect to look  
 at other people's lives and think we're  
 better off than they are. Bless you and  
 your family for his life of goodness, love,  
 and generosity on your life. I hope  
 you better than I do. I hope you work out  
 in the gym and maybe we can  
 be doctors and we can  
 get together on the week-  
 ends to see "Rocky Horror"
