

Three months later we began our senior year, with a class of thirty. After the mid-term examinations we had on roll only twenty seven. One of the missing three fell before the "deadly" fire of "Cupid's" arrow.

This year Walterboro Hi, presented to the world the "Eighth District Foot-Ball Champs," who were coached by Mr. T. B. Stevenson, our athletic instructor. Mr. Stevenson came to Walterboro the year we started our high school career, and has ever since remained a true and loyal citizen. To our other teachers we also owe thanks for what they have done for us and our school.

With the hearty support of the teachers and the trustees, Mr. Ward has made "Ole W. H. S." a secondary high school—a fact that we are all proud of. Whether Walterboro Hi remains a secondary school depends mostly on what its graduates do at college. The class of '26 will do their level best to keep her there, and we sincerely hope that those who follow us will do the same.
