

W. H. S. CEDAR CHEST 1926

During the half the students of Walterboro Hi school gave a snake dance, led by Red Nix, Herbert Stokes, Wilmot Jacobs, Helen EsDorn and Ruby Murray.

It must have been the cheering of the Wildcats' classmates which gave them new life in the second half.

Rivers again kicked off and St. George received on about their thirty yard line. On their fourth down they had fifteen yards to go. This was just a sample of the way our powerful line was fighting, and Appleby punted to Walterboro's forty yard line.

Saunders P., Saunders, M., Black and Crosby with line bucks and end runs tore the St. George line to threads. This was the first time of the game that our boys displayed their strength and ability to play football.

The first play Saunders, M., took the ball around end for a nice gain. Crosby made first down. Saunders, P., to give the spectators a little excitement, went around end for about 15 yards. Black then tore through the center of the line for a good run. The line was surely opening up for their backs and the whole team was working with such teamwork as has never been seen on the local gridiron.

The only thing said by Referee Harris in the second half was "Walterboro first and ten," and it did not take but three of these to put over the first touchdown from the forty yard line.

At the beginning of the fourth quarter Carter, Breland and Beach went in for Price, Hiers and Rivers and two other touchdowns were put over, the game with W. H. S. driving again for a touchdown.

Price was the star of the game. In the line time and again you would see him push his way through the opposing line stopping their backs before getting started. The rest of the line played a wonderful game, and it looked like a team with many years experience. Black, Crosby and the Saunders brothers played a game which could not be surpassed in any backfield.

Our next game with Summerville was nothing for the Wildcats if they won, but if they lost it would have meant a disputed title for the district championship, but the boys played their old time ball and Crosby and Black and Saunders, M. and P. carried the ball in fine style, and the line open up, we came out the big end of the horn 31—0.

Our game with Batesburg-Leesville was disastrous to our team, eight of the Varsity men were knocked out and Captain Saunders shoulder was broken. Before all our men were knocked out the score stood 13—7 in favor B-L with Walterboro carrying the ball on their twenty yard line. If our men could have stayed in the game we would be sure that the score would not have been the same at the end of the game. As it was the Twins won by the score 40 to 7.
