

# SEASON'S RECORD

While the Walterboro Wildcats Sextet and Quintet Basketeers did not have the season they were capable of having; it was not their worst. The Wildcat quintet record is a little more impressive than that of the Sextet. The Wildcat girls while invading the floor captured five thrilling games, dropped fourteen, and played one game to a tie. The boy basketeers hit the basket for a total of nine victories and eleven downfalls.

The Sextet lost 6 games at home and lost 8 games away. They won 3 games at home while winning 2 away with the tie being played at home. The Wildcat boys lost 6 games away and lost 5 at home. They took 4 games away and 5 games as the host.

The scoring was as follows for the quintet first string this season: Craven took the high scoring

honors for the season with 155 points; followed by Mitchell with 112; Bishop 102; Novit 72; and Fender 48. For the girls Tippins was high for this basketball season with 243 points; Saunders was right behind her with 177; and Lyons completed the Sextet's first string forwards with 110.

The basketball teams next year will be without the services of 15 players, eight coming from the boys' team and seven from the girls' team. The Wildcat boys' next year will go on the floor without Joe Bishop, Mitchell Novit, Joe Mole, Cecil Murdaugh, Derrick Blocker, Wade Herring, Jim Bailey, and Billy Joe Thompson. The girls' will lose Betty Jean Lake, Nevaida Lyons, Gladys Herndon, Barbara Beach, Mary Ann Sams, Rosie Lee Carney, and Janice Simmons.
